

Rethinking Psychiatry

The Open Dialogue Method: A More Effective Approach to Mental Health Crisis

- What is Open Dialogue?
- How is it very different than standard practice in the US?
- What is the research from N. Finland, the UK, Italy, Holland, and Belgium?
- Why this former crisis worker loves Open Dialogue!

Alita Markus comes to speak to us from Tacoma WA, after finishing intensive teacher training in Finland.

Open Dialogue Training
Is Coming to the Pacific NW in 2019!

WED, NOV 7
7 - 9 PM
